EXPERIENCE

Technical Support, Onboarding, Layout, QA and Testing Specialist
DEUNA

📅 August 2021 – Urrently 📍 Palo Alto, México

- DEUNA is a software-as-a-service technology company that solves the 3 main challenges of e-commerce in LATAM: customer conversion, payment acceptance and fraud prevention.
- DEUNA was born in 2021 in Silicon Valley, with a focus on Latin America. We are in the expansion stage and recently announced our Series A funding of $37M USD.

IT Network Specialist
Compumax

📅 July 2021 – September 2021 📍 Palo Alto, CA

- A company that provides products, services and solutions in the area of information technology, software and communications. We offer a variety of brands and models, seeking to cover the commercial, social and cultural needs of our customers, adjusting to their economic possibilities.

Software Developer
Bernier Group

📅 December 2020 – March 2012 📍 Loja, Ecuador

- Bernier Group is a Colombian startup focus on artificial intelligence solutions. For the last five years, we enabled a lot of companies in Colombia and LATAM to empower the business model using this technology and improving business areas like strategy, customer service, logistics, inventory management, cybersecurity, customer experience, support, knowledge management, marketing, and sales.
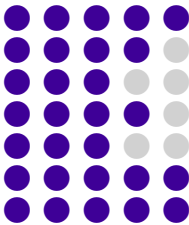

IT Support Specialist
Universidad Nacional de Loja

📅 October 2019 – February 2020 📍 Loja, Ecuador

- The Universidad Nacional de Loja is a public institution of higher education located in the city of Loja in southern Ecuador.
